The building features a prominent brick corner and a section with horizontal wooden slats that are illuminated from within, creating a warm, golden glow. The sky is a deep, clear blue. The Quinn Homes logo is positioned in the upper right, and the slogan 'YOUR HOME OUR PRIDE' is in the lower left.

The Team to Deliver your Future

BOURNE HOUSE

As a Kent based business, we are passionate about investing in local people. We employ the best the industry has to offer and through training opportunities encourage them to reach new heights.

Through working with local colleges, we invest in the next generation through a market leading apprenticeship programme to give young people the best start in life.

Enhancing the vitality and vibrancy of local communities

BOURNE HOUSE

Our commitment to giving local communities the opportunity to thrive is visible throughout the county in the play parks, hospices, schools and parks we have built. It is our actions that define us.

A successful community needs investment, promoting wellbeing for both people and nature and through working with local people, we deliver.

Building for the Future

BOURNE HOUSE

The future is changing rapidly and construction needs to be at the forefront of a revolution.

Our homes are built to exceed regulations and we embrace new technologies so that each home we build is low carbon both in its construction and lifecycle.

**“My experience of Quinn Homes has been first class, I had superb service from start to finish from everybody involved. Everyone is impressed by the quality of finish...
I love my new home!”**

Homes of the Highest Quality

EVERY PROPERTY WE BUILD GETS ASSESSED BY AN INDEPENDENT BUILDING INSPECTOR TO MAKE SURE IT COMPLIES WITH MODERN REGULATIONS.

However, for Quinn Homes this is just part of our build process. Before we hand over a house, an experienced director will undertake a rigorous quality assessment so that we can guarantee that every home we build is constructed to the exacting standards that set us apart.

Green technology

Fundamental to our thinking

All of our homes are built to exceed building regulations and to be exemplars in embracing renewable technologies.

We focus not just on the construction process but also the lifecycle of each home.

We install appliances that meet A+ as a minimum and with green technologies such as air source heat pumps, solar panels and home battery systems, our homes are some of the greenest in the sector.

All of our new homes also benefit from fast charge electric vehicle charging points to support the transition to greener modes of transport.

MANOR BARN, LITTLEBOURNE

“I am hugely impressed by the care and expertise that has gone into the design process for my new home. The standard of workmanship was of the highest order and the after sales service, outstanding. Quinn Homes have simultaneously created a wonderful family home and an exceptional investment.”

Exceptional Interiors

OUR IN-HOUSE INTERIOR DESIGNER TAKES GREAT CARE TO MAKE SURE THAT EACH HOME IS DESIGNED WITH YOU IN MIND.

By thinking of how each room gets used, we make sure that storage space is plentiful, natural light optimised and each room has what is needed to create a home fit for your high standards

WE USE NATURAL MATERIALS AND HIGH-QUALITY FIXTURES AND FITTINGS, INSTALLED BY SOME OF THE FINEST CRAFTSPEOPLE AROUND SO THAT WHEN WE GIVE YOU THE KEYS, WHAT YOU GET IS TRULY STUNNING.

We use local labour and seek to use UK built products wherever possible so that our homes have the lowest impact possible on the environment.
